“No child should go to bed hungry” – Sir Chef Bruno Serato
Sir Chef Bruno

Cordially invites you to A Night Under the Stars Dinner

Join us at the prestigious Anaheim White House restaurant to raise funds for Caterina’s Club. The Anaheim White House restaurant offers twelve private rooms as well as the West Wing and Garden area that facilitate CDC guidelines and provide social distancing.

To maintain our guests’ safety, the following mandates will be followed:

• Upon arrival, guests must wear a face mask until being seated at their own private table.

• Gathering amongst guests from other parties is prohibited.

• To avoid crowds while waiting to be seated, arrival times will be assigned in 15-minute slots from 5-6 PM. Dinner will be served at 6:30 pm.

• Table reservations are limited to accommodate the CDC capacity guideline.

• A cocktail reception is prohibited.

As in many other areas of life, the COVID-19 crisis resulted in the dismissal of our Annual Red Carpet Gala. Thus, we can solely offer a sponsorship dinner to raise funds this year. In addition, we’re offering multiple different options if you can’t attend the dinner.

Contributions less the cost of goods and services are tax-deductible to the full extent provided by law.

Dear Caterina’s Club friends,

Generally, I don’t include long letters in our event invitations. However, I must write about what Caterina’s Club has done since COVID-19 impacted our lives.

Caterina’s Club drastically modified the way we operate and was able to meet each challenge without missing a single day of Feeding the Kids. At the burst of the outbreak, some of our partners began to close and some limited programming, upon closures of our program partners, my crew and I jumped on the front lines providing cooked and uncooked pasta and tomato sauce to families in need at daily food distributions. We delivered meals and multiple pallets of pasta and sauce to numerous locations in Orange and Los Angeles Counties. These were scary days, as we risked catching the virus not knowing much about it then. We are working closely with our partners and have gained 16 new program partners to feed children and their families. To make it easier for some clubs, I’m providing no-contact delivery to our program sites and offering serving pasta in to-go containers for families to take home.

I’m grateful to our partners that allowed us to support the children and families that didn’t have the means to prepare, or simply couldn’t find food at grocery stores during this difficult time. At food distributions, I learned of other struggles families are experiencing: Preparing for the future by saving as much as they can from their unemployment and stimulus checks, as they expect their wages to be reduced significantly. Some fear they won’t be going back to work at all. After hearing these concerns, I knew I couldn’t stop, and had to keep serving for as long as I could. I decided to host our own food distributions at the White House restaurant to provide hot meals, pantry packs of pasta, tomato sauce, bread loaves, 2-3 pizzas per car, prime quality fish, beef briskets, meatballs, chicken, grocery store gift cards, and flour.
We hosted a distribution each Friday for four weeks - serving over 550 families, totaling to over 2,000+ people, each Friday! It was heart-breaking to see cars full of children with their mom and grandmother crying, telling me they will pray for my mother Caterina because they knew she had a big part in them getting free food. More than one time, tears rolled down my cheeks. I often thought of all of you who have helped us to do what we’ve done during this tragic time.

KFI AM640 continued their support immensely. While we rely heavily on our annual KFI PastaThon: the 109,000 lbs of pasta and sauce donated generally last throughout the year. This year, it only lasted until early summer. We’re providing over 9,000 meals per day. Every week has been different, and the number of meals we serve fluctuates. However, we went from donating a million meals per year to a million meals in just eighteen weeks! Thank God, Barilla graciously donated over 29,000 lbs of pasta and sauce to help us get through the rest of the year. Smart & Final also blessed us with four pallets of sauce and eleven pallets of to-go containers for us to continue our mission.

I would like to take this opportunity to thank the generous donors that assisted us with food donations during these dire times of need: Lineage Logistics, Panini Kabob & Grill, Barilla, Smart & Final La Brea Bakery, Santa Monica Seafoods, Houdini, Bindi, Euro Foods Broker, and White Toque.

This is the time Caterina's Club needs you the most. We CANNOT continue our mission without your support, so I urge you, if you can help, please do so now. The children, their families, and I request your help today with any of the options available in this invitation. Remember, no child should go to bed hungry!
