To Whom It May Concern,

My name is Maria Lopez. I am a single mom of 4 children. I live in Orange, California City.

3 of my children live with me,

Kim of 18 Cristian

Isaac of 8

Fabian of 6

My children are my reason for living

I am sending this letter because I want to thank Caterina's Club on behalf of my family and I for helping us with the portion of \$1,000 for my October 2020 rent. I was laid-off in June 2020 due to the COVID-19 Pandemic; I have used my savings and whatever extra money the government has sent to stay afloat. But I noticed I was going to be short for my October rent so I started calling everywhere I could to see if anyone would be able to assist me.

I am alone in this country and my life has not been easy but I have always been able to overcome my obstacles. I was the victim of domestic violence for many, many years and that experience, for those of us that lived it marked us, we started thinking that there were no good people in the world since we had been mistreated and we felt as if we were finished. But that part of our life is in the past. We made it out of that life, thanks to God and the people he sent to help us.

I want to mention that when someone extends their hand to help me after what I have lived through I feel it comes directly from God. Yes, only God puts people like you in my path. GOD sent you to me not only for the financial assistance but to let me know there are good people in this world, with good hearts.

Since the minute I called Caterina's Club to see if they would be able to help me out with the portion of my rent, they answered the phone very politely, and they listened to me. I told them what was going on in my life and how I was going to be short for my rent. I felt their concern and support even then. Above all, in that phone call, I could feel I was not alone.

Thank you; for helping my family with out rent.  
my gratitude.

There are no words to express

God Bless you 

Sincerely,
