To whom it may concern,

My name is Maria Torres; my family consists of my husband Armando, (who is ill and on dialysis) our four kids, (Juan Jose 17 yrs. Old, Liz 14 yrs. Old, Kevin 11 yrs. Old, and Sebastian who is 5yrs. Old) and myself.

I am the sole provider for our family. When the Stay at Home Order was placed because of the Pandemic I was involved in a serious accident and could not go back to work. This caused our rent payments to fall behind. Without knowing what to do and not having anyone to go to for help I felt as if I was in an alley with no way out. But, I never stopped asking God to help me.

One day, I received a call from Carolina at Caterina's Club. She was calling to check in on us to see how we were doing. During our conversation I shared with her what had been going on in our life. I never would have imagined that Carolina would speak with her supervisor and tell him about our situation. She called me back to tell me that Caterina's Club was going to give our property management company a check to cover the past due amount. When I received the news I got so excited that I felt my heart was going to jump out of me from all the emotions. I cried. I had tears of joy. I could not believe that they would ever do that for us.

Thank you so much. May God bless Caterina's Club for all that you do for the families that you help. There are no words to express my heartfelt gratitude.

Thank you,

Maria Torres
